

How to Cast Oculus Quest 2 to TV / Phone / Computer

What you need to cast Oculus Quest 2 to TV / Phone / Computer

To cast your Oculus Quest 2 to your TV, you will need a Chromecast device or a TV with Chromecast built-in. You can also use the Google Home app on your smartphone or tablet to set up and control your Chromecast.

In addition to the Chromecast, you will also need a compatible device to cast from. In this case, you can use your Oculus Quest 2 to stream content to your TV. To do this, you will need to make sure that your Oculus Quest 2 and Chromecast are connected to the same Wi-Fi network.

How to Cast Oculus Quest 2 to TV via Headset

To start casting from your Oculus Quest 2, follow these steps:

1. On your Oculus Quest 2, go to the home screen and select the **"Sharing"** tab.
